

# SAINT PETER AT GOWTS

## 6<sup>TH</sup> SEPTEMBER 2024

### FROM THE HEADTEACHER

---

Dear St Peter's Families,

Welcome Back!

What a fabulous start to the term! This week the children have thoroughly enjoyed the 'Learning to Learn' days that we have planned and delivered. These three days focus on teamwork, school values and positive attitudes to learning! I've seen great activities where children were building extremely tall towers, engineering systems to pick up paper cups and great circle times about our school values.

Our children have also embraced the changes that we have made to our behaviour policy and know that at St Peter's we don't have rules but values that last a lifetime. These values are as always at the heart of every decision we make at St Peter's and embedded within our policy. If you are unsure of the changes, please do read the ParentMail that was sent out on Wednesday 4<sup>th</sup> September.

I think the children will say that the new gym equipment has been their favourite part of the week! Healthy minds and bodies are very important to us at St Peter's and this equipment will certainly enhance our provision! We have had an assembly to talk about how we respect our new equipment and watched the videos so we can ensure that the equipment is used correctly. The equipment is only to be used during the school day unless there is a special event and school staff are monitoring. Please can you ensure your child does not use the equipment at the end of the day as there is no member of staff to monitor.

We are very excited for the year ahead at St Peter's and we know it is going to be fabulous!

Best wishes,

Emily Mayer

Headteacher
